N200
Movie Cube

Multimedia player with high decoding capacity !

The **N200** is a Full HD multimedia player allowing you to enjoy your favorite movies, songs and photos directly on your TV. The simple connection enables to transform your USB flash drives, Hard Disk Drives and memory cards into real multimedia solutions.

Watch Full HD movies
- Decode your videos in a high quality (resolution up to 1080p)

Share your music, photos and videos very easily
- Plug any storage device and share your multimedia files with family and friends
- Access files stored on your network at distance

Listen to Internet radios
- Browse and access your favorite stations thanks to your Lan or Wifi connection

Very discreet thanks to its small size, the **Movie Cube N200** will also seduce you with its sober and uncluttered design.

Package content:
- N200 player
